THERON *Plus* SMART MOUSE

PRODUCT DEVELOPMENT

This gaming weapon is the ultimate tool to enhance your gaming skills and place you at a perfect winning position. The unique RGB backlighting system adds for a fresh impact on your gaming atmosphere. The THERON PLUS communicates with the Tt eSPORTS Plus mobile application to record mouse usage statistics. Furthermore the Tt eSPORTS PLUS mobile application can store the logs to the Tt eSPORTS PLUS community, where users can both compete and compare their mouse usage.
